

The following expectations still apply:

If you have any of these symptoms:

- Cough (new or worsening)**
- Fever over 100.4 or chills/shivering**
- Diarrhea or vomiting**
- New loss of taste or smell**

Do not come to school.

Call the absence line at 715-356-3282 and pick option #3.

Report your child's name, grade and all symptoms.

The School Nurse or office staff will contact you once the absence report is complete.

If you have two or more of the following symptoms:

- Headache**
- Muscle or body aches**
- Nausea**
- Sore throat**
- Runny nose/congestion**
- Unusual fatigue**

Do not come to school.

Call the absence line at 715-356-3282 and pick option #3. Report your child's name, grade and all symptoms. The School Nurse or office staff will contact you once the absence report is complete.

We have been getting calls about vaccinations for students. If you go to [Vaccines.gov](https://www.vaccines.gov), they will have a list of all the area clinics for children.

As always, when in doubt, please contact us so we can help talk you through the next steps and when to keep your student home.

PROPOSED AV-W COVID Chart #3 (as of 2/14/22) → to implement on Wednesday, February 16, 2022

If You Test Positive for COVID-10 with or without symptoms:	Vaccinated	Unvaccinated
<p>Have 1 of These Symptoms</p> <ul style="list-style-type: none"> -Cough (new or worsening) -Fever over 100.4 or chills/shivering -Diarrhea or vomiting -New loss of taste or smell <p>Do not come to school</p> <p>If you have two or more of the following symptoms</p> <ul style="list-style-type: none"> -Headache, Muscle or body aches -Nausea -Sore throat -Runny nose/congestion -Unusual fatigue <p>Do not come to school</p>	<p>If you have symptoms or test positive, isolate and separate yourself from other people in your home <u>for at least 5 days</u>. Stay home from school, work and public places.</p> <p>After your isolation period is done, and you are fever-free, and symptoms free. <u>You will need to wear a well-fitting mask for days 6-10 at school, work and public places.</u></p> <p>You can leave your house on Day 6 if you have no symptoms or your symptoms are resolving. (If you have a fever, continue to stay home until your fever resolves).</p> <p>Where can I find more information? www.dhs.wisconsin.gov/covid-19</p>	<p>If you have symptoms or test positive, isolate and separate yourself from other people in your home <u>for at least 5 days</u>.
