

School Arrival Time: 7:48AM (for a 7:55AM start)

Summer 2022

Dear Families,

Welcome to our AV-W Crew!

We are so excited that you are a part of our Arbor Vitae - Woodruff School Crew. At AV-W, we consider ourselves Crew, as referenced in the quote by Kurt Hahn, founder of Expeditionary Learning - "We are Crew, Not Passengers!" We believe that when we work together, our journey is more enriching and fulfilling.

In the spirit of Crew, we want to make sure that you have all of the pertinent information necessary to start the school year. Our first day of school will be Tuesday, August 30, 2022.

Registration Day

Save the date! Registration day is Wednesday, August 10, 2022, from 8:00AM to 4:00PM.

(If our in person registration does not work for you and your family - please call us and we would be happy to arrange an alternate appointment)

*Families in need of a free or reduced priced lunch are encouraged to complete a Free and Reduced Lunch Application before Registration Day. Applications are available in Skyward Family Access.

Registration Day will be August 10, 2022, in the main office from 8:00 am - 4:00 pm for **NEW Families and Currently Enrolled Families that need to make changes to their information.** **IF you are currently enrolled and do not have any changes to your information, you are considered registered and do not need to attend!**

Reasons you may need to call (715) 356-3282 ex. 4456 or come to school:

- Names and **WORKING** phone numbers of your two emergency contacts
- You have a change in physical address, mailing address, phone number or email address
- There are legal or custodial issues we need to be aware of (must have legal documentation for our files)
- You are new to the district (student birth certificates and proof of address are required)
- You need to apply for the Free or Reduced meals program if you have not received an eligibility letter for the 2022-2023 school year

Call Lakeland Bus if you have any questions concerning bus routes, pick-ups, or drop-offs. 715-356-5984

Crew teachers will connect with families the week of August 15, 2022.

School Arrival and Dismissal

Our morning bell will ring at **7:48** with students expected to be ready to roll at **7:55AM**. The staff is not available to supervise students before 7:30AM or after 3:20PM. If children are dropped off prior to 7:30AM, they should stay in the cafeteria until that time. There will be supervision on the playgrounds from 7:35 – 7:48AM. The morning bell will ring at **7:48AM** and students should report to their classrooms.

To ensure a smooth drop off procedure, please do not park in the drop off zone in front of the school. The only place permissible for parking is the center garden island. Parking in our drop off lane severely restricts the positive flow of vehicles into and out of our school grounds. This is also a huge safety concern for our students and parents. The drop off area will be marked by orange cones at the beginning of the school year until families are familiar with the drop off zone. Please remember to use extreme caution whenever driving on school property. As some of you know, we tend to get passionate with parents that ignore this important rule. Please help us keep our students safe by following our drop off procedures. Additionally, please cede the right of way to our school buses. The buses do not have the luxury of stopping as quickly as smaller vehicles.

Primary students (PreK-1) will be dismissed at the end of the day at 3:07PM. Their teachers will walk them to the front entrance and school buses. Intermediate students (3-5) will be dismissed at 3:10PM. They will walk themselves to the front entrance and school buses. Middle school students (6-8) will be dismissed from class at 3:15PM. They will also walk themselves to the front entrance and school buses. Due to health concerns, parents will no longer be able to enter the school to congregate in the cafeteria to wait for students.

This is just a reminder that our front doors are locked during the school day. Parents will not be able to enter our building with their children.

Students are not allowed to remain at school after 3:30PM unless they are attending a school activity (sports, homework help, or club activity) or have prior arrangements with a staff member. We have encountered some of our older students staying until 4:30 or even 5:00 for a variety of reasons. Please work with us to have our students picked up by 3:30PM. Children who are not picked up by 3:30PM will remain in the school office until a parent/guardian arrives to pick them up.

Late Arrival

Children are considered tardy if they arrive after 7:55AM. If you are dropping off after 7:55AM, **you must escort your child into the office using the monitored door and use the intercom to communicate with our front office staff.** Please make every effort to ensure your child arrives at school on time. Late arrivals disrupt a successful start to the day. Many times a tardy student becomes upset or embarrassed by having to enter a classroom in which the day's activities have already begun. Please ensure that your child is here by 7:48AM.

Technology Policy (ALL PreK - 8 Students)

The AV-W Technology Policy will be available for families to review on our school website. Please take time to visit the school's website and review these policies. Signatures will be required the first week of school.

You can find these policies under the For Parents—> Forms

—> Technology Policy Agreement. This policy requires signatures of an agreement for safe use and responsibility for equipment by both parents and students. By signing the student registration form, you agree that you have read, understand, and accept the technology policies outlined in School Board Policy, including agreeing to reimburse the school for damages to or replacement of a device.

School Supplies

AV-W has worked with the Lakeland Sharing Foundation to ensure that supplies cost less than \$10/student. Please find the supply list on our website www.avwschool.org or at our local Walmart.

Coats

Knights of Columbus has once again provided coats and boots. Please let our office staff know if you are interested in these offerings when you register.

Meet & Greet

Our annual Meet & Greet will be held in person on Monday, August 25, 2022, from 4:30 pm to 6:30 pm in the gymnasium. During Meet & Greet, we will also have food service staff available to help with Free and Reduced Lunch applications and also to collect lunch money.

Availability of Free and Reduced Lunch Forms

Assistance will be available for families needing support in completing Free and Reduced Lunch forms on Meet & Greet. Families qualifying for Free and Reduced Lunch during the 2022 - 2023 school year will be contacted in early August with specific instructions on enrollment.

Families will need to complete a Free and Reduced Lunch Application in Skyward Family Access under the Food Service tab on the left hand side, then proceed to click on Applications.

Looking Forward

We always encourage families to participate in school events, recognizing that families who care about their children's education bring strength and add value to the community (Core Practice #24). Check out the AV-W website www.avwschool.org for our 2022 - 2023 school calendar, 2022 - 2023 Annual Notices, and Family Handbook (found under the For Parents link).

If you would like copies of the documents referenced from our website, please contact the main office at (715) 356 - 3282.
